

## Higher Education Teaching and Learning Series 2023/24

### Data Protection Statement

To assess your application fairly, your submission will be considered by a panel including representatives of the Institute of Mathematics and its Applications (IMA), the London Mathematical Society (LMS) and the Royal Statistical Society (RSS). The three societies are subject to the General Data Protection Regulation (GDPR). Your application will include personal data; the Lawful Basis for processing your data will be Contract.

The panel will only have access to the personal data which you have included in your application and the LMS and RSS will not store any of your personal data following the decision of the panel. However, personal data of applicants who are LMS/RSS members or LMS/RSS members who have countersigned an application will be shared with the LMS/RSS for confirmation of their membership. Financial information provided to the IMA by successful applicants for the purpose of transferring the grant funds will not be shared. Personal data of unsuccessful applicants will be deleted following the decision of the panel.

Should your application be successful, the personal data that you have provided will be held in secure storage by the IMA for a period of six years. This is a legal requirement following a financial transaction and the Lawful Basis for the retention of the data is Legal Obligation. For further details, please refer to the [Privacy Notice of the IMA](#).

The Privacy Notice of the LMS and RSS can be found on their respective websites:
